A sampling of homeschool-friendly activities from across the state of Minnesota

Youth at the U
University of MN - Twin Cities | youth.umn.edu

The University of Minnesota is committed to providing a safe environment for children participating in U of M programs. Any program listed on this site which is intended primarily for children under age 18 complies with the U of M’s Safety of Minors policy.

The Raptor Center (TRC)
Saint Paul, MN | raptor.umn.edu

TRC provides tours and off-site programs. Visit the center to see and learn about 30 different raptors, or schedule an off-site visit with up to four birds. Programs focus on natural history, adaptations, the environment, and the human environmental impact.
Minnesota Landscape Arboretum  
Chaska, MN | arboretum.umn.edu/homeschools.aspx  
Offers hands-on plant experiences that address science in a unique and engaging way.

Crookston Summer Camps  
Crookston, MN | crk.umn.edu/summer-camps-and-conferences  
Single and multi-day programs include horseback riding, volleyball, and robotics and technology.

UMN Financial Education Youth Programs  
MN | extension.umn.edu  
Online and in-person options available. To find more information on the website, navigate to Family > Financial Capability > Basic Financial Education > Youth and Money.

Cloquet Forestry Center  
Cloquet, MN | cfc.cfans.umn.edu/youth-outreach  
Participate in Forestry Adventures Days (spring & summer) or Conservation Education days (fall) for a fun and immersive experience on the subjects of science and forestry.
